Resolutions.

Resolved that the consideration of the question be held over.

II. Docket No. 11259—Ml. 609-04, dated 8th June 1905, from the Revenue and General Secretary, forwarding for the opinion of the Trust Board, a representation *in re* the referring of the Civil Court decrees for the partition of houses and lands within the Municipal limits to the Presidents of the Local Municipalities, and the reply of Government thereto.

Resolved that in view of the extensive powers vested in the Municipality for the prevention of overcrowding, and with reference to the grant of licenses for structural alterations, and also those vested in the Presidents of Municipalities under the Plague Rules, the procedure suggested is not necessary. It seems further undesirable, as the question of valuation might easily give rise to further litigation. Messrs. Venkatakrishnaiya and Anantharajaiya dissenting.
